On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3166

I request that you drop this request entirely. The voters already voted against a very similar proposal, and this current proposal goes even further to change our current system. Please do not further erode the trust in our states elections system. The proposals set forth in this proposed legislation removes the voice of many Oregonians, even though it is being touted as doing the opposite. Please use your time and energy to work on legislation that improves our lives in Oregon and on legislation that Oregonians actually desire.
