Representatives,

Measure 117 was rejected by Oregon voters in November 2024. I adamantly oppose your attempt in circumventing the majority choice and decision of Oregonians. Your sponsorship of HB 3166 directly informs me that my vote and the votes of fellow Oregonians in any election process does not matter nor valued. If Oregon's elected officials continue to demonstrate complete lack of respect and integrity for the legislative process when an outcome is not an individual and/or ideological choice, then our state is lost as an inclusive place for all. I am not affiliated with any political party, I have never voted in a primary election, but I did vote in opposition of Measure 117 and my vote should count!
