Measure, Appointment or Topic: HB3166

No. We already voted NO on this. RCV usurps the democratic process of our representative republic. The process can grant favor to candidates that few people voted for, it's not transparent, and it's not accountable; it is a 'solution looking for a problem'. And, in a one party dominated state, this is a deliberate attempt to dilute the minority party voice and presence in government. Government works best when there is balance and compromise.
