Measure, Appointment or Topic: HB3075

I oppose HB 3075 and Measure 114 as a husband, a father, and a law-abiding citizen. These laws are unconstitutional and strip away the rights of Oregonians and Americans. The real issue is not guns but rather the lack of mental health resources, rampant drug use, and the need for better access to gun safety education. Punishing responsible gun owners does nothing to address these root causes of violence. Our lawmakers should focus on real solutions instead of infringing on the rights of law-abiding citizens.
