On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Why can't you committee members be more transparent on these types of bills. You have hidden the information on how this is going to be funded and and the the little that I have found will destroy every small business that sells firearms. You have dwindling revenues coming in from businesses leaving as well as residents leaving from the lack of transparency and trust from politicians in Salem. You have 13 counties who have voted to leave Oregon for Idaho because of the things you do and don't do for them, does that not matter to any of you.
