

Submitter: Joe Culley
On Behalf Of: All law abiding citizens concerned with freedom
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

This bill will cause financial hardship to anyone that has firearms initially designed with magazines with a capacity over 10 rounds .

If compliant magazines are not available the firearms is this made unlawful/useless !

If compliant magazines are available they will be expensive !

We've already invested in our self defense tools, this investments are significant to working class citizens!

Stop this madness !
