On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2050

Support HB2025 by supporting those who have given much more than can ever be given back to them. By supporting HB2025, you'll be ensuring that the Veterans that served the great state of Oregon, remain local and embedded in the communities that they have fought so hard to preserve and protect. Passing HB2025 could possibly be the biggest "thank you" you could give to a Veteran. Also, this could encourage those that are not sure if they want to stay in uniform for a military retirement, as well aiding in maintaining and building the Oregon Air and Army National Guard strength. Submitted with great respect and hope for the passing of HB2025.

Very Respectfully,
