HB3166

I STRONGLY OPPOSE HB 3166.

A 'unified primary' is the same as 'ranked-choice voting.' This is an end-run around voters rejecting ranked-choice voting, and unethical for legislators to force it on voters after being rejected.

There isn't a state that has tried ranked-choice voting, that one or more elections produced a false win. This will never give Oregonians confidence in their voting system.
