

Submitter: Rob Melquist

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I am opposed to this measure as it is very vague and has no clear definition of the fees or process in which licensing will be obtained. Any fees will have a huge impact on the constitutional rights especially for low income and minority members of our community. It is a shame that in 2025 we still have such discrimination in our government towards the citizens of this Country.
