Measure, Appointment or Topic: HB3076

There is absolutely zero transparency on this bill, where is the money coming from to support this bill and what exactly does this bill do for the citizens of Oregon? We are tired of rising taxes, we are tired of hidden agendas, and we are tired of the attacks on our Constitutional rights. No transparency equals NO support from my house and my self as a law obiding, tax paying Oregonian! We in my house oppose this bill and the backdoor tactics being used by our elected officials
