Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives.

HB3075-1 will help ensure a smoother and more rapid implementation of Measure 114.

My heart aches for all of the lives that have been taken which might have been prevented had Measure 114 not been tied up in court process. That IS how our government works, however and I respect that everyone has now had their voices heard by law. This has now been found to meet the Constitutional concerns, Oregonians passed this, so make it the law!
