Measure, Appointment or Topic: SB715

I am in opposition to SB 715. We should not waste \$ 10 Million of tax payer dollars for high speed rail. Currently, the state budget is over \$100 million in the hole, We need to restrain spending on big bold unfeasible projects & the studying of such projects. The facts are this looks like another money laundering progressive program for their cronies. Let's try to solve junkie vagrants that are still camping in our streets & committing crimes. If you voided "sanctuary" status which voters NEVER voted in favor, you would have more money to spend on projects that benefit all Oregon Citizens.
