My testimony: We the People clearly voted NO on Ranked Choice Voting because it's a tool for creating unfair and confusing elections. This is just another attempt at controlling election outcomes in Oregon. Your voters have already spoken out on this issue and you would please respect their voice and not simply try to work around it. With "Ranked Choice Voting" the party with the most money and candidates currently in office keeps the most candidates and dilutes any other parties forever. Just say NO! We Have Spoken!
