Measure, Appointment or Topic: HB3076

I oppose this bill for several reasons:

- 1) It duplicates current federal oversight for gun dealers
- 2) Adds additional burden to small business owners
- 3) Does nothing to address gun crime. If that is the goal, then removing Oregon's sanctuary state status and enforcing current laws is a better plan.
- 4) It seeks to obstruct access to legal gun ownership which is guaranteed under the Second Amendment of the United States.
