On Behalf Of: All school-aged children in Oregon
Committee: Joint Committee On Ways and Means Subcommittee
On Education
Measure, Appointment or Topic: SB5515

I know and understand there are many competing concerns needing budget support. I am a parent of school-aged children, so they are a priority for me. I am also an educated human who believes future generations will be making important life and earth changing decisions. It is those decisions that implore me to implore you to fund our schools adequately and appropriately.
