HB3166

I've singled out the Ballot Initiative, and yes, this legislation refers to candidates, but, this legislation is contrary to the will of the people as expressed by their opposition to this action. The voters of this state said NO to this on the ballot. One thing about Oregon is its citizen involvement with the Ballot Initiative, it's been used in other states, but Oregon pioneered the Ballot Initiative process and has done so for OVER A CENTURY! This came about due to legislative abuse from Salem and now Salem seeks to undermine that process. This effort must be opposed, your continued efforts to wage abuse against the people of this state must end. Vote against this bill and any bill limiting or removing Rights.
