Measure, Appointment or Topic: HB2050

Retired after 21yrs of Service. We came back to PNW, Oregon in particular, to be close to family. This would be a huge factor in our decision making process as we determine which side of the river to plant our roots. I don't feel entitled to any sort of benefit or handout, but this definitely would be a huge incentive especially for those of us near the WA/OR border. I appreciate the consideration of this bill.
