Dear legislators,

Now, more than ever, it is critical to invest in our public schools and education system to avoid the devolution of society that red states have experienced. There should be NO cuts to Portland Public Schools, zero. We need to INCREASE the budget. Taxpayer funded breakfast and lunch for ALL students in the state is CRITICAL to learning and thriving at school. If meals are cut, attendance will drop, misery will increase. As a state we need to take care of all our people starting with our most vulnerable. Please increase funding for every school in the state. Also, NO WAY on school choice. Lastly, we need constitutional amendments to reverse Measures 5/50 to restore government funding, and to reverse the kicker because, well, IT'S DUMB. Thank you.
