

Submitter: Amie Wexler

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

To the Senate Committee on Human Services:

We must ensure that all Oregonians, regardless of their immigration status, are nourished. Children need to go to school well-fed so that they can learn. Parents need adequate nutrition so that they can care for their families and work. We cannot allow the federal government to dictate who we care for in our state. Please make sure that we do not discriminate and we feed all who are hungry.

Thank you for accepting my testimony and for taking this action and supporting SB 611.

Best,

Amie Wexler
