Rank Choice Voting was already defeated in our last election.

Rank Choice Voting eliminates a fair and concise vote as the person with the most votes (as it should be) Doesn't always win their election.

Rank Choice Voting already showed itself a failure in this last election where it was used in certain counties in Oregon. It also is a failure in Alaska where it is used.

Not only do I oppose Rank Choice Voting I oppose vote by mail unless the absentee ballot belongs to a service member or an individual who due to circumstances cannot be present to cast a ballot in person.
