

Submitter: ANNE KILEY

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

Everyone needs to eat, regardless of where they come from or who they look like.

We act like human beings when we feed those who need it.

Are you afraid that once Oregon starts feeding immigrants that more will come? Why should you be afraid? Immigrants built the country, once it had been taken away from the First People. Maybe those immigrants will take the Tri-Met jobs that are going begging. Maybe they will create businesses to inhabit the empty buildings downtown.
