Measure, Appointment or Topic:	SB1120

I support the expansive oversight of ODOC policy and practices detailed in SB1120. As a former administrator at ODOC, I believe SB 1120 will also benefit ODOC in the same way that a viable grievance system, effective lawsuits by AICs, and an open honest dialog with critics benefits ODOC. ODOC needs to be a learning organization that operates in the light. Most of what ails ODOC, now and historically, is born by too much ingrown conspiratorial thinking done in secrecy behind the veil. So, please pass the bill and ask Governor Kotek to restore, empower the ombudsman, and make public the Savage Report,
