Government, and Veterans

Measure, Appointment or Topic: HB2050

I am in support of Oregon Veterans exception of State taxes. The Oregon National Guard and other reserve units have deployed around the world in multiple combat and peace missions. The Oregon guard has deployed multiple times in our own country and state to provide aide and necessary resources during times of need. We owe these men and women who gave some and some have given their all to defend this nation. Please give back to our Veterans, show our gratitude and pass this state tax exception.
