HB3166

Hello Legislatures,

Why is this even being considered, the OR voters rejected this in the last election by voting against M117.

So the democrats think they can subvert the will of the OR voters.

This bill would also mandate open primaries so that most populous counties would choose the candidates in the primaries that the rest of the state would be forced to choose between in the November elections. In deep blue states, this results in voters having a choice of two Leftists candidates on their November ballots. (Remember Portland politics is now dominated by Democratic Socialists.)

VOTE NO, I OPPOSE THIS BILL
