

Submitter: Kolt Coudare

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Dear Judiciary Committee members,

I am writing in strong opposition to HB 3076. There is only a placeholder bill in its place, and I feel that this isn't in the good spirit of a constitutional republic. The people of Oregon deserve full transparency and should be able to view it in its entirety. I encourage you to not pass this bill out of committee. Thank you
