Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1000

Dear Committee Members,

I am writing to oppose SB 1000. While I am opposed to Bay Area Hospital selling out or merging, I do not believe current hospital leadership is capable of managing taxpayer monies in an appropriate manner and feel this money would only go to subsidize the Quorum deal. The Hospital's board and leadership have told the community that the Quorum deal will have already been completed by the time this funding would be available, so it seems the money would go straight to Quorum. There are other local solutions available to BAH, if only they would listen.

Thank you for your consideration,

Christy Wright
