On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB3556

I am a resident of Cannon Beach and have been now for over 14 years. During that time, the expenditures by the city, fire, police, infrastructure has grown along with the tourist trade. Yes, the tourism dollars are important to our city, but the current legislation limits how much and how the TLT taxes are spent. I strongly support this legislation.
