House Committee On Rules

Measure, Appointment or Topic:

HB3166

It is not surprising to me that democrats have decided that the majority of Oregon in an election, needs to be overthrown by an out of control authoritarian government. After all it was Stalin who said that it wasn't about who voted but who counted the votes and once again the citizens are fighting with one hand behind their back against people who live in an echo chamber of fellow socialists donkeys braying back to each other and because of a crooked mail in ballot voting system devised against voting fairness in 1986 in Oregon and installed in 1987. And now the final nail in Oregon's coffin is a complete reversal of the people's decision in November 2024 to not allow ranked voting in Oregon. This is overreach of a scale that is literally poison in the face of democracy and fair election. While we all wait for the jack booted brown shirts, your ilk is destroying our state with daily "Krystalnacht" events against anyone you disagree with. Psalm 94:22 But the Lord has been my stronghold, And my God the rock of my refuge. 23He has brought back their wickedness upon them And will destroy them in their evil; The Lord our God will 1destroy them.
