Amazes me how often in recent years a legislative Bill comes up and gets defeated only to become a ballot measure.

HB 3166 is a hugely defeated Ballot Measure... now being introduced as a Legislative Bill, not a year after it was defeated by voters of Oregon.

Gov. Kitzhaber gave illegals driver license only for the people to vote that down 2-1... that was 2013 and 2014 and yet in 2019 after Democrat Majority

Legislated motor voter and emergency clause bills in 2015 and 2016 ( obviously to over ride the will of the people ).

In 2024 we found over 10,000 illegals voting illegally in our elections... and the DMV was registering them to vote.

Are we creating Laws or pushing agendas ?

Here again the people have no confidence in the process.

HB 3166 is abuse of the known will of voters..

I oppose HB 3166
