Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I am in support of HB3076. This is a reasonable bill which would greatly reduce the flow of illegal guns into our state. I am a lifelong gun owner who supports reasonable legislation for gun sense laws such as safe storage, limits on magazines, and regulations preventing production of ghost guns. We must reduce the slaughter of our children. Guns are now the leading cause of death among children. This is unacceptable. Please vote for HB3076.
