Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3166

Dear Lawmakers,
WE THE PEOPLE have 3 times during election seasons voiced that we don't want ranked choice voting. So why are you still trying to ram things down our throats and force things upon us that we have told you we don't want just like with the gross receipts sales tax and drivers licenses for criminal illegal immigrants? This bill will just ensure that 1 party gets to field multiple candidates while all other parties, including the only other party that can compete with it, get snuffed out so it forever can entrench it's power. This is tyrannical behavior, please knock your crap off and stop acting like Marxist commies and vote NO on this horrendous bill that is HB-3166.
Thank you.

Sincerely,
Chad Kernutt
