Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

HB 3076 proposes a state licensing program for federally licensed firearms businesses, imposing additional burdens on small businesses that are already heavily regulated.

Kills Small Businesses: This could drive small businesses out of operation, reducing the number of legally processed firearm transfers and pushing Oregonians toward unregulated financial options.

Won't Prevent Crime: These regulations do not enhance public safety but instead harm law-abiding businesses and citizens.
