

Submitter: Damon Underwood

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB3556

Flexibility on spending is a win. Full stop.

If Visit CO is using language such as “catastrophic,” to describe effects of this bill, then that only reinforces the assumption that their interests continue to be self-serving. We don’t need businesses eager to keep the handcuffs on our local elected leaders and the financial needs of our city/county. The willingness to perpetuate the parasitic behavior of “Visit” orgs leaves me inclined to support this bill.
