HB3166

I oppose HB3166 because it is a terrible idea. Ranked choice voting and open primaries are a path to increased partisan divide. Here's a different one: in person voting, with valid ID. Not once in the roughly 28 years of being a voter, have I had to show ID to vote. Neither have thousands of others in populous counties in Oregon... if they exist... but if you don't look, there's no problem.
