HB3166

This was presented and defeated by Oregonians already. We do NOT want this type of voting for candidates! Please stop this repetitious bill. The people already spoke and declined rank choice voting. This should not even be on the agenda again. The people were clear and now are being ignored. Stop this in its tracks. Wasting time and money after people of Oregon have already decided against this. How and why are their voices not being honored. Please strike out HB3166. No one needs to repeat an already decided bill. Thank you
