I have had the great pleasure of volunteering at Chimtimony for best part of last year. I have donated to Chimtimony frequently because it's a worthwhile cause. Albany and the surrounding area NEEDS a place as wonderful as Chimtimony to care and rehab animal's who are in need of this service. The staff personnel are nothing short of amazing. They care for the well-being of ambassadors and they care for fellow employees / volunteer workers. I have been an eye witness to the fantastic events that have educated All people from all walks of life to the importance of caring for these ambassadors. Thank you all at Chimtimony for being great stewards in Oregon for the care of injured wildlife. I totally support this cause!
