Measure, Appointment or Topic: HB3076

This is so important. As a retired public health administrator I strongly support HB 3076 because we need stronger oversight of gun dealers to stop the flow of illegal guns. States with gun dealer licensing have reduced gun trafficking by 70% and gun homicides by 36%. It's time Oregon held the gun industry to the same standards as other businesses. This for the safety of all Oregonians.
