Measure, Appointment or Topic: HB3166

The people of Oregon overwhelmingly voted against any type of ranked choice voting.

It is shameful and highly disappointing that our representatives do not listen to what the majority in Oregon has asked for. When you do not, it just makes it easier to not vote for any representative that supports this or any other bill that subverts the results of what the people of Oregon voted for in an election.

I respectfully ask that this bill gets opposed.
