Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB1131

I am writing to you to show my support for BILL SB1131. Chintimini Wildlife Center not only provides vital services to the Wildlife of the Willamette Valley but key educational experiences for all ages. They provide services not found elsewhere and with the support of this bill will be able to expand their services in a way that will not only benefit the native wildlife but the general public and education of the next generation.
