Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB703

Oregon has many undocumented workers who have lived, worked, raised families, and paid taxes in our state for many years. The process to a more protected status is long, complicated and prohibitively expensive for someone who often makes less than minimum wage. I think we should help them as much as possible, especially if they've been here for a period of years and/or have children who are US citizens.
