Committee: Senate Committee On Rules
Measure, Appointment or Topic: SJR28

I am writing on behalf of Community for Earth, a social justice action group at First Unitarian Church in Portland. Our faith is based on Core Principles which include a deep respect for the Interdependent Web of All Existence of which we are a part.

Oregon has already experienced fires, ocean dead zones, and extreme temperatures because of the climate crisis. We are leaving a legacy of environmental degradation to our children without redress for their losses.

Our faith compels us to ask you to act now to support SJR-28-1 to tackle the climate crisis, create clean energy jobs, reduce pollution, encourage climate resilient communities and ensure environmental justice.

Thank You,

Kevin Fairham-Wheeler and Leadership Team
