Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3076

I am writing this in extreme opposition of this Oregon government overtake of a system that is in place and being monitored by our federal government. As I have stated in other oppositions, there are many in Salem who are lacking common sense and attacking law abiding citizens, and now attacking law abiding FFL dealers in our state. These dealers are under stringent rules. What is the financial impact statement of this hideous house bill?
