My name is Judith K Cochran. Have lived in Lebanon OR FOR 72 yrs as of the 28th of this month. I am totally against House Bill 3167, ranked Choice Voting. I'm against the mail in voting. I want to go back to Stan in person stand in line SHOW MY ID to vote. I'm really disappointed in how we vote and it is so unfair. People need to be involved in what's going on and it needs to be EVERYONE! No Mayer where they live. Not just Portland, Eugene and one other place I can't remember. It's so sad to see how many countries vote and are over powered by the BIG money and be stronger armed to their will. Please stop the Ranked Choice Voting. It's so sad watching our state distroied by the rich and powerful want to be's. Thank you for letting me have my sat. May God stand with us and make all one and work together.
