Committee: House Committee On Rules

Measure, Appointment or Topic: HB3166

To Whom it May Concern,

I am writing in opposition to HB 3166.

I am in fact baffled that this is even being proposed since it has been less than six months since Oregonians resoundingly voted this down. You, as representatives, of Oregon are supposed to represent our views, and we have previously made our views clear on this issue.

Please stand with Oregonians and withdraw your support.

Thank you,

Wendy Mogstad
