HB3166

Dear H.B. 3166 sponsors:

What the heck! We just voted this down. Please include my opposition to your proposal in your presentation or deliberations. I figured out what a mess it could create last fall prior to placing a NO sign in my yard. We have lots of issues that need addressing in Oregon. This isn't one of them. Please use your energy to get Oregon back on track.

Please withdraw your support for the "Ranked Choice Voting from those Bill if you plan to move it forward.
