Measure, Appointment or Topic: HB3076

I support stronger oversight of gun dealers as evidence shows that stronger oversight of gun dealers such as locking guns into displays, examinations to reconcile background check compliance reduce the number of crime guns hitting our streets. States with gun dealer licensing have reduced gun trafficking by 70% and gun homicides by 36%. It's time Oregon held the gun industry to the same standards as other businesses. Too many people and Communities are being affected by gun violence, please support HB3076.
