

Submitter:

James Mehrens

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB703

The only humane thing to do is to support these immigrants by doing everything we can to help them obtain citizenship. The undocumented citizens love this country as much as I do or more. It's time to give them the chance to raise their family and live a fear free life in this great country. Time to show the world what this country can do for humanity.
