Senate Health Care Committee:

The Bay Area Hospital in Coos Bay needs help. But Senate Bill 1000 isn't the right way to address this. We've been told time and time again that the hospital will be leased and sold to Quorum Health by the time this money is sent, meaning it will simply be a windfall for out of state investors.

Please consider UFCW's Shared Responsibility Plan. The plan at least keeps Oregonians in the region in charge of our own health care destiny, rather than out of state investors. Please oppose SB 1000.
