House Committee On Judiciary

Measure, Appointment or Topic:

HB3076

As a mom of two school age children I beg you to do your part in keeping our community safe. We are not asking you to take guns away, we simply want the same regulations placed on gun dealers as other industries have. Why are food trucks and salons inspected more than gun stores?! We have an amazing opportunity to reduce deaths by simply having gun stores act responsibly. We can do this, we must do this...
