On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB3166

We have already voted against HB2004, which proposed Ranked Choice Voting. Our citizens have clearly expressed their stance on this matter. It is concerning that this issue is being revisited despite the clear decision made by the electorate. It is imperative that the will of the citizens is respected and upheld. We urge you to honor the voices of the people and refrain from pursuing this issue further.

Corinne Rice, Precinct 395
